NatSteel Increases Shareholding of NatSteel Engineering

NatSteel Ltd ("NatSteel") wishes to announce that it has capitalised its \$8,000,000 shareholder loan to its wholly owned subsidiary, NatSteel Engineering Pte Ltd ("NatSteel Engineering") into 8,000,000 ordinary shares of par value of \$1.00 each.

NatSteel Engineering is one of the world leaders in the spreader market. Together with its UK-based subsidiary, NatSteel Engineering designs and manufactures the RAM brand of container handling spreaders.

This transaction is not expected to have a material effect on the earnings per share and net tangible assets per share of NatSteel.

Save for Ang Kong Hua who is a director of NatSteel and NatSteel Engineering, none of the directors or substantial shareholders of NatSteel has any interest in this transaction.
